Introduction

Dear Valued Client,

The Berkshire Hathaway HomeServices Real Estate and Lifestyle Planning Workbook was designed to complement the Real Estate and Lifestyle Planning Guide. As you read through the guide, the workbook will add even more personalization to this process, allowing us to analyze and organize your plan together.

Each question is meant to make you think about your lifestyle and real estate preferences, and each answer is an opportunity to assess what priorities matter most to you.

Ready to start planning for your future? Let's begin!

There are three steps in the Berkshire Hathaway HomeServices Real Estate and Lifestyle Planning process:

STEP 1

Identify Current and Future Lifestyle Needs

STEP 2

Review Lifestyle Choices and Options

STEP 3

Formulate Real Estate and Lifestyle Goals

STEP 1

Identify Current and Future Lifestyle Needs

A real estate dream becomes a reality when you look at a house and immediately feel like it's your home.

PRIORITIES

List the five most important factors you want or need in your home:

No. 1: _____

No. 2: _____

No. 3: _____

No. 4: _____

No. 5: _____

RENTING VS. BUYING

Is renting or buying right for you? Answer the following questions to begin to determine your best next step:

1. Would a down payment for a home represent a financial strain or is it simply not possible at this time? _____
2. Do you plan on living in a home for less than three years? YES NO
3. Based on price trends, overall demand for the area and the price range you are considering, is your property more likely to go down in value for the foreseeable future than to increase? (Don't worry if you can't answer this question – we can discuss price trends, buyer demand and price range together!) _____
4. Is it important that you personalize your space? _____
5. Is it important that you and/or your family begin building long-term wealth? _____
6. Is building a strong credit score through monthly mortgage payments important to you?
 YES NO
7. Do you plan to use the equity from your next home to open a line of credit to finance another property? YES NO
8. Are you worried about rising rental prices in your market? (Again, we can discuss rental price trends together!) _____

A Forever AgentSM understands your homeownership dreams and helps you make them real.

HOMEOWNERSHIP GOALS

To get you to start thinking about your ideal home, here are some potential goals you might have for your first or next property:

- Near shops, restaurants and other amenities
- Close to family and friends
- Close to the water
- Big backyard or expansive yard space
- A diverse community

Now close your eyes. Envision your ideal home. What does it look like? What color is the door? What does the landscaping look like in the front yard? What kind of neighborhood is it located in? What architectural style is it? How high are the ceilings in the living room? Get specific about your home and write down exactly what you see in your mind.

Define what the word “homeownership” means for you.

Review Lifestyle Choices and Options

A house is refuge, safety and comfort. A home is the feeling of being completely, unapologetically yourself.

THINKING ABOUT RIGHTSIZING?

Let's figure out if that's the right move! Select any or all of the following reasons to rightsize that might be applicable to you:

- | | | |
|---|--|---|
| <input type="checkbox"/> Lower maintenance costs | <input type="checkbox"/> Retire or prepare for retirement | <input type="checkbox"/> Improve resources for children |
| <input type="checkbox"/> Cash in home equity | <input type="checkbox"/> Live closer to family | <input type="checkbox"/> Improve resources for pets |
| <input type="checkbox"/> Increase walkability | <input type="checkbox"/> Reduce taxes | <input type="checkbox"/> Drive less |
| <input type="checkbox"/> Increase transportation efficiency | <input type="checkbox"/> Address health care and or/ mobility concerns | <input type="checkbox"/> Move closer to work |
| <input type="checkbox"/> Reduce cleaning time and effort | <input type="checkbox"/> Desire to join a more active community | <input type="checkbox"/> Experience greater diversity |

Maybe rightsizing isn't right for you. Instead, maybe you want to stay right where you are ... at least for now. Before we get into any improvements you might make in your home, answer the following question: I want to remodel my home to make it more ...

- | | |
|--|--|
| + Comfortable and convenient for me. | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| + Appealing for a future buyer. | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| + Valuable when pricing my home for sale. | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| + Reflective of modern home trends and styles. | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| + Aligned with my lifestyle. | <input type="checkbox"/> YES <input type="checkbox"/> NO |

If you're living in a multigenerational home, continue on with the following questions about reasons to remodel your current property:

- | | |
|--|--|
| + Comfortable and convenient for members of the family. | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| + Functional for senior members of the family living in the household. | <input type="checkbox"/> YES <input type="checkbox"/> NO |
| + Functional for children living in the household. | <input type="checkbox"/> YES <input type="checkbox"/> NO |

If comfort or convenience are priorities in your home, describe what's NOT comfortable in your home right now. Then, describe what you'd like to do to fix it. (If this isn't your goal, and you're making return-on-investment-related fixes instead, skip to the next set of questions).

Not working: _____

Desired fixes: _____

If you're updating your home to increase its potential resale value, check the top THREE return-on-investment-generating projects that most appeal to you. If you're NOT updating for resale value, you can skip this section.

- | | | |
|---|--|--|
| <input type="checkbox"/> Wood decking | <input type="checkbox"/> Garage door replacement | <input type="checkbox"/> Bathroom remodel |
| <input type="checkbox"/> Kitchen remodel (minor or major) | <input type="checkbox"/> Entry door replacement | <input type="checkbox"/> Updated HVAC system |
| <input type="checkbox"/> Window replacement | <input type="checkbox"/> New roof | <input type="checkbox"/> Fresh landscaping |
| | <input type="checkbox"/> Primary suite remodel | <input type="checkbox"/> Other: _____ |

Of the three selected above, think about your No. 1 most important remodeling project—the one that we'll not only be able to showcase in the future sale of your home but also the improvement that you'll enjoy **most** right now:

Top project: _____

Now imagine that project is complete. A wave of a magic, home-improvement wand and you now have a brand-new kitchen for (finally!) baking sourdough bread or fresh landscaping where you can relax and read a book on warm evenings. Spend a few minutes writing down how you'll use that home update now:

REAL ESTATE INVESTING

Are you interested in investing in real estate? First, let's determine your immediate investment goal. Check any and all that may apply:

- Vacation home Second home Long-term rental property Short-term rental property

If you're looking for a vacation home or second home, describe what that ideal property would be for you, otherwise skip to the next question:

If you're looking for a long-term rental property, describe what that ideal property would look like and be specific! How many bedrooms, bathrooms? Where is it located? What will the decor be like?

If you're looking for a short-term rental, describe what the property would look like and how you'd promote it.

- + Will you use a platform like Airbnb or Vrbo? YES NO
- + Will you work with a property management company?
(Ask me about the property management companies I like best!) YES NO
- + Will you hire someone to remodel the property, if necessary? YES NO
- + Will you hire an interior designer? YES NO
- + Decorate on your own from that "Dream Rental Property"
Pinterest board you created? YES NO

Please elaborate: _____
